April 2024

Meetings are held the 4th Monday of each month and there is no meeting in December. Meetings begin at 6:30 pm at the Creekside United Methodist Church in Sutter Creek.

Remember to wear your name badge, bring Comfort Quilts, Show and Tell, and Block of the Month. When it's your turn, bring snacks.

See you April 22, 2024

From our MLQG President-Carlene Drake

I am so excited about our speaker this month. I have long been fascinated with Japanese fabrics and quilting. It will be fun to hear her take on it. We still have space available for the workshop on the following day. If you want a relaxing day of sewing and friendship, be sure to sign up. We often avoid hand sewing thinking it will be tedious, but I think you will find her workshop a relaxing take on hand work that does not require precision. You may also be inspired to do some decorative work on your jeans after the class.

From our MLQG Vice-President-Trudy Bauman

There are fun lectures and workshops ahead for MLQG in 2024!

Our April meeting will feature a lecture by Carol Zogas of Kimonomomo. Who, you ask? Carol specializes in sashiko patterns, threads and Japanese fabrics. She recently returned from a trip to Japan and is excited to tell us about her travels as well as talk about sashiko and its history. On Tuesday, 4/23, Carol is offering a workshop on sashiko and boro. You will have the opportunity to create your own art piece combining sashiko and Japanese fabrics. Your piece could be framed, made into a small pillow or added to the back of a jean jacket. The cost of the workshop is \$45 for members and \$55 for non-members. A kit will be available for purchase. There are still spaces available so join us! See you at the April meeting and don't forget to sign up for the Kimonomomo workshop!

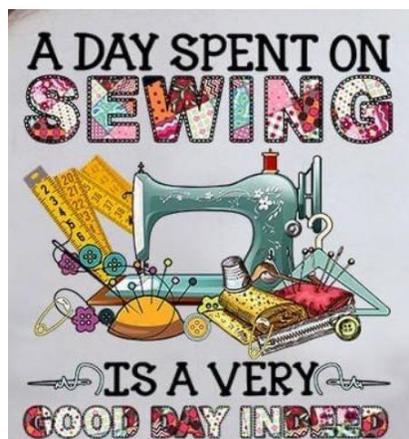

Country Store Heather Beers

Here is hoping April showers bring all kind of Spring flowers!

The Country Store will continue to ask for donations of boutique items and fabric. Let those creative juice flow ladies. Hot sellers are bowl cozies, pot holders, and seasonal items. The bowl cozy needs to be 100 percent cotton including batting. The potholders need one or two layers of Insulbright and a piece of batting if only using one piece of Insulbright. Let me know if you need a pattern. I have a number animal bandanas cut out and am looking for someone to sew them. The help would be greatly appreciated.

The show will be here in a heartbeat. I would appreciate all donations by September 1st so we have time to price items and measure and fold the fabric. There is a lot of behind-the-scenes stuff that happens just before the show and time can be tight.

Take care everyone. I look forward to seeing you at our next meeting. Smiles

2024 Guild BOM Project – Barn Star Sampler Anelie Belden

We have 3 blocks to make this month. Some new techniques and a few we have already done. When a block has flying geese in it and half square triangles, be sure to ask yourself- " Do I want to cut and sew these as the directions say?" OR " Do I want to cut the method of 4 in one flying geese and a larger cut for half square triangles?" We will review this and help understand how to make those changes.

Book: Barn Star Sampler by Shelley Cavanna Each person should have a book as I will use her directions.

April Blocks will be

Month	Block number	Techniques in each block	Cutting
April	Block 12 page 29 Block 3 page 17 Block 18 page 15	Hourglass, Review-Corner Units and Stitch n flip Triangle Review of Flying Geese and Half Square Triangles 8 half square triangles at one time	Block 12 cut as in book no changes. Block 3 have flying geese which can be cut differently to make 4 in one. Block 18 Cut differently to make 8 HS with one larger square.
