See you March 27, 2023

From our MLQG President-Trudy Bauman

Well, here we are again, with more rain and, unfortunately more snow. Just 5 months ago we were begging for water and now we have more than we know what to do with. I hope everyone has been able to dig out and their electricity is back on. We even had snow in Amador City! I looked out my sewing room window and watched big, fat snowflakes fall in the yard. We ended up with about 1/2". I know that's not much compared to the feet of snow that has accumulated Up Country, but it was pretty exciting nevertheless.

Unfortunately, the weather conditions were so poor, the February meeting had to be canceled.

Anelie, who was scheduled to give a presentation, will be rescheduled for later in the year. For those of you who had power, I hope you had an opportunity to sew when you weren't shoveling snow. I'm looking forward to seeing those completed UFOs!

See you at the March, 27, meeting, barring more snow events!

From our MLQG Vice President-Pamela Grant

Our March speaker will be Felicia Velasquez. Her talk will be the details of vintage dressmaking and under garments. She is very versed and experienced in all aspects. She has been undertaking this process since childhood. Very interesting. A bit different than our "quilt" techniques, but I have been interested listening to her. It will involve all aspects of construction from design to finished product.

Country Store Heather Beers

Happy Easter and Happy Saint Patrick's Day! I am sure we are all done with snow and rain. I, for one, am ready for sunshine and flowers. The good side is we should have water this summer. I will be binging a new pattern to the next meeting. It is a travel safe. Pretty basic and I think people will find it a handy item when traveling. If you need previous patterns or supplies to make items for the Country Store, please let me know. We need bowl cozies and any other fun items you are inspired to sew.

Please take care of yourselves. Life is short, so enjoy the sunshine and those you care for. Smiles!
